- We are considering membership to the NGCG. This would involve having some rules and regulations within the group and require an annual fee. Do you want to have a membership of the NGCG
- The Annual Fee would pay for the general costs of the upkeep of the NGCG, like website, PO Box, Email etc. What would you be prepared to pay:
- Do you feel there is value in having another virtual conference in 2022
- We plan a Face to Face conference in 2023 – would you want to attend that?
- The next physical conference could be in London / Scotland / Cambridge which would you prefer?
- The Steering Group are responsible for all aspects of the NGCG including designing the next conference programme, governance and future developments. Would you be interested in being part of the Steering Group?
